### BURIAL CONSENT FORM

Although it is very rare that someone with YWAM dies outside of his/her country during their time of service, the existing laws with respect to burial make it necessary to consider the possibility before traveling. In various countries where YWAM works, burial must be performed within 24 hours of the death of the person. In the case that it is not possible to make arrangements to return the body to the country of origin, the burial should take place in the country where it occurred.

In situations where it is possible to make arrangements to return the body of the deceased to his/her country of origin, it is very expensive to do so. Some countries require that a person accompany the body. For this reason, we cannot guarantee the return of the body to his/her country. Therefore, we would like you to consider the following:

In case of my death, I give my permission to be buried in the country where I have lent my service:

## **WHAT IS A DISCIPLESHIP TRAINING SCHOOL?**

The Discipleship Training School (DTS) is an intense, five-month program that concentrates on the basic disciplines of a Christian lifestyle. Our goal is to provide an environment where the student draws closer to Jesus Christ, and as a result can share this life-giving relationship with the world. The following phrase summarizes best the purpose statement of Youth With A Mission (YWAM): "To Know God and To Make Him Known."

The DTS program is divided into two phases: the classroom phase (theoretical), and the outreach phase (practical). The classroom phase includes three months of classes consisting of Teachings, quiet times with the Lord, Small groups, Intercession times, work duties, and outreach preparation. The teachings are presented by a variety of teachers who cover themes such as the Father Heart of God, Intercession and Prayer, Worship, Relationships, Spiritual Warfare, Evangelism, and others.

The outreach phase involves a missionary crusade of approximately eight weeks that may take place within the country of Mexico or in a neighboring country. There is also a possibility that a group may be going to a country in the 10/40 window. During this expedition, the student will have the opportunity to live his/her faith and to share their faith with others. Evangelistic dramas, public preaching, sharing their testimonies, and mercy ministries are just a few of the many opportunities that will be presented to these disciples for putting into practice what God has been teaching them.

After completion of the DTS, the student will be equipped to join any YWAM base around the world. On the other hand, there is no binding commitment with YWAM. The student is free to join another missionary organization, using his/her newly acquired skills and knowledge, or return to his/her local church with a new perspective on the world, missions, and relationship with God.

### **WHAT ARE THE PREREQUISITES FOR THE DTS?**

The prospective student should be:

- \* At least 18 years of age.
- \* A High School Graduate (Recommended, but not required)
- \* Have the Approval and Support of Their Pastor and Parents
- \* Have the desire and motivation to commit themselves to God and to reaching the world.

### **WHAT WILL BE THE COST?**

The cost of the school for those from developed countries, such as the U.S.A. and Europe, will be \$ 2,500.00 US dollars. For those from Latin countries, the cost will be the equivalent of \$1,500.00 US dollars. These costs include housing, food, and travel costs as a school. The student will be responsible for their personal expenses, such as snacks and laundry expenses. The outreach cost is not included. Depending on where you will go on outreach we estimate a cost between US\$1,000 (staying within the country or a close-by destination) up to approx. US\$2,000 (overseas).

### **WHERE WILL I LIVE?**

The student will live on campus housing close to Chapala (about 45 minutes from Guadalajara) during the classes phase of the school. During the two months of outreach we will be staying in churches, bible institutes, or wherever the Lord provides.

## OPPORTUNITIES TO PARTICIPATE YWAM – GUADALAJARA

The opportunities at YWAM – Guadalajara are as limitless as the creativity of the children of the Lord. Therefore we will just mention a few.

We have a needs in the ministry such as:

Office Work: accounting, computer operators, typists, etc.  
Kitchen Coordinators: menu planning, cooking, food purchasing, etc.  
Hospitality: serving guests, transportation, etc.  
Counseling  
Communications  
Maintenance  
Graphic Design  
Construction

We also have many opportunities for those called to urban ministries.

Street Evangelism  
Church Planting  
Bible Studies  
Children's Ministry  
Homes of Hope (building houses for the poor)  
Church Ministry  
Etc.

For those interested in pastoral care and training, maybe you would like to get involved in one of our many training schools: teaching, counseling, leading teams on outreach, and much more. What is better than training faithful people that will in their turn go and train others!

A Mobile team offers opportunities to minister to the Latin world through drama, evangelism, dance, and music to share the Gospel, the vision of YWAM for world missions and to teach creative praise. All of this falls under the goals of the Mobile team ministry.

Maybe you are a person who likes to be constantly traveling and sharing the love of God continuously. Our department of Short-term Outreaches could be what you are looking for. The goal of this department is to provide opportunities for groups of individuals or church groups to go to the mission field for a period from one week up to two months. This will provide the group with a transcultural experience, and give them the opportunity to clearly hear the call of God to full time ministry. It also encourages those who are already on the field full time to send them teams.
